Enclosed is a copy of Administrative Amendment #2020.025 to Pima Association of Governments' (PAG's) FY 2020-2024 Transportation Improvement Program (TIP).

On May 27, 2021, the PAG Regional Council approved the FY 2022-2026 Transportation Improvement Program, or TIP, and the RTA Board acted on various RTA project Inter-governmental Agreements, or IGAs, pertaining to the FY 2020-2024 TIP. At the request of each sponsoring agency, the attached administrative amendments address the companion IGAs; the Memorandum of Understanding, or MOU, and adjustments needed based on the approved agreements. This amendment also programs additional funding sources that have been allocated for the three PAG regional airports.

I have reviewed the amendments, and I concur that they meet with established policies for an administrative amendment on behalf of PAG.

Copies of the administrative amendments will be emailed to ADOT staff who are on our TIP stakeholders' distribution list. Please feel free to make additional copies for any other ADOT staff who may need this information. Thank you for your assistance.

Sincerely,

Farhad Moghimi
