RE: Administrative Amendment #2022.013

Dear Mr. Hoffman:

Attached is a copy of Administrative Amendment #2022.013 to the Pima Association of Governments (PAG) FY 2022-2026 Transportation Improvement Program (TIP).

Items in the attached administrative amendment address the programming of an ADOT Off-Systems Bridge (OSB) set-aside of the Surface Transportation Block Grant Program award, an IGA approval by the Regional Transportation Authority and a reallocation of a portion of CRRSAA funding to Design from Construction.

I have reviewed the amendment, and I concur that it meets with established policies for an administrative amendment on behalf of PAG.

Copies of the administrative amendment will be emailed to ADOT staff in our TIP stakeholders distribution list. Please feel free to make additional copies for any other ADOT staff that may need this information.

Thank you for your assistance.

Sincerely,

Farhad Moghimi
Executive Director
