Dear Mr. Hoffman:

Enclosed is a copy of Administrative Amendment #2022.015 to the Pima Association of Governments (PAG) FY 2022-2026 Transportation Improvement Program (TIP). This administrative amendment re-allocates the associated Surface Transportation Program (STP) funding amounts, from TIP ID 24.15, RTA 40ar, Regional Traffic Signal Program to the following three new projects (including associated TIP ID)

- Town of Sahuarita, TIP No. 1.22, Regional Traffic Equipment—emergency vehicle preemption
- Arizona Department of Transportation, TIP No. 3.22 Regional Traffic Equipment--traffic signal
- Town of Marana, TIP No. 4.22, Regional Traffic Equipment—software

The approval of this action is captured in the Memorandums of Understanding (MOUs) approved by the Mayor and Council for the respective Towns, and PAG.

I have reviewed the amendment, and I concur that it meets with established policies for an administrative amendment on behalf of PAG.

Copies of the administrative amendments will be emailed to ADOT staff in our TIP stakeholders distribution list. Please feel free to make additional copies for any other ADOT staff that may need this information.

Thank you for your assistance.

Sincerely,

Farhad Moghimi  
Executive Director
