**RE: Administrative Amendment #2022.066**

Dear Mr. Hoffman:

Attached is a copy of Administrative Amendment #2022.066 to the Pima Association of Governments (PAG) FY 2022-2026 Transportation Improvement Program (TIP). This amendment contains the following items:

- Items A-I contain the programming of nine new Highway Safety Improvement Program (HSIP) funding awards.
- Item J initiates the design phase and updates the distribution of design and right of way funding.

I have reviewed the amendment, and I concur that it meets established policies for administrative amendments on behalf of PAG.

Copies of the administrative amendment will be emailed to ADOT staff in our TIP stakeholders distribution list. Please feel free to make additional copies for any other ADOT staff that may need this information.

Thank you for your assistance.

Sincerely,
