

# Drive less. Save more.

## Save by carpooling/vanpooling

- Save \$1,600 per year by carpooling with just one person or \$2,200 with two
- Vanpoolers (6 or more) leads to an average savings of \$1,800 per year/per person

## Gain time, money and friends

- Read a book, listen to music while riding the bus or sharing the ride
- Use your savings to pay bills, shop for the kids, take a trip or save for retirement
- Connect with co-workers and make new friends

*Small lifestyle changes lead to huge benefits for you and your family*

# SunRideshare.org

## Transit planning made easy!

### Benefits of riding the bus

- Saves you over \$2,500\* per year if you ride Sun Tran five days a week
- Reduces stress levels
- Contributes to cleaner air through reduced vehicle emissions

\*Adjusted for average of \$504 in bus fares
