

PAG/RTA Transportation Systems and Safety Subcommittee (TSSS) Meeting

9:00 a.m., Thursday, May 9, 2024

Public Access to Meeting Audio/Presentation:

<https://youtube.com/live/R7FwExt2v8k>

Pursuant to A.R.S. 38-431.02, notice is hereby given to the public and to the Committee members that the Transportation Systems and Safety Subcommittee (TSSS) of the Regional Transportation Authority will meet at the above stated time and date.

Members of the TSSS will attend the meeting remotely. The meeting room will be closed to the public. However, members of the public are invited to attend the meeting via the public access link above. Committee members will be provided with a separate link to participate. Members of the public may submit written comments relating to this meeting to info@rtamobility.com within one hour of the meeting's posted start time. These comments will be filed with the committee's records.

The RTA is committed to maintaining high standards of conduct and prohibits harassment and retaliation against all employees pursuant to Pima Association of Governments' Policy Against Discrimination, Harassment and Retaliation. It is the responsibility of all committee members to comply with and to report violations or suspected violations of the Rules of Conduct, PAG/RTA policies, or state laws.

PAG's Rules of Conduct require committee members to observe high standards of conduct and personal ethics in the conduct of their duties and responsibilities. Committee members are prohibited from interfering with the administrative functions of the organization and must comply with the open meeting laws and all other applicable laws, regulations and policies.

AGENDA

1. Call to Order and Introductions

2. In-kind Reporting

PAG staff will ask participants to confirm their estimated in-kind time for this meeting.

3. Dynamic Traffic Assignment Model Development

Staff will present an update on the development of PAG's Dynamic Traffic Assignment Model.

4. Multimodal Performance Assessment

Staff will present and update on Leveraging Existing Data Sources to Obtain Performance Measures for a Multimodal Transportation System project currently being developed in conjunction with the University of Arizona.

5. PAG Safety Activities Update

PAG staff will provide an update on Road Safety Assessment (RSA) efforts and other safety activities.

6. Jurisdiction Safety Project Updates

Member jurisdictions will provide an update on their HSIP and other project efforts and activities.

7. Automated Transportation Management System: Maxview and Kinetics

Member jurisdictions will provide an update on their efforts and activities related to this topic.

8. Traffic Signal Communications Activities Update

Member jurisdictions will provide an update on their signal communications efforts and activities.

9. Adjournment

The Transportation Systems and Safety Subcommittee meeting packet containing material related to the meeting is available at www.RTAmobility.com for public review 24 hours prior to the meeting. In compliance with the Americans with Disabilities Act (ADA), those requiring special assistance, such as large typeface print, sign language or other reasonable accommodations, may request those through the administrative offices at: (520) 792-1093 at least two business days before the meeting.

PAG and the RTA each operate its programs without regard to race, color and national origin in compliance with [Title VI](#) of the Civil Rights Act. We invite you to complete our voluntary self-identification survey ([English/Spanish](#)).

If you need translation assistance, please call (520) 792-1093 and ask for Zonia Kelley. Si necesita ayuda con traducción, llame por favor al (520) 792-1093 y comuníquese con Zonia Kelley.
