RE: Administrative Amendment #2022.113

Dear Mr. Hoffman:

Attached is a copy of Administrative Amendment #2022.113 to the Pima Association of Governments (PAG)

FY 2022-2026 Transportation Improvement Program (TIP). The amendment contains the following:

- Item A addresses programming of FTA 5310 Awards for FY 2025. Per the most recent guidance from ADOT:
 - Funds should be programmed into the fiscal year that most closely aligns with the award fund availability period, in this case, FY 2025.
 - One TIP ID per subrecipient is used. For subrecipients receiving multiple awards, each award is programmed individually within the same program year.

I have reviewed the amendment, and I concur that it meets established policies for administrative amendments on behalf of PAG.

Copies of the amendment will be emailed to ADOT staff in our TIP stakeholders distribution list. Please feel free to make additional copies for any other ADOT staff that may need this information.

Thank you for your assistance.

Sincerely,

Farhad Moghimi
Executive Director
