Project Schedule

2025

TWG Meeting

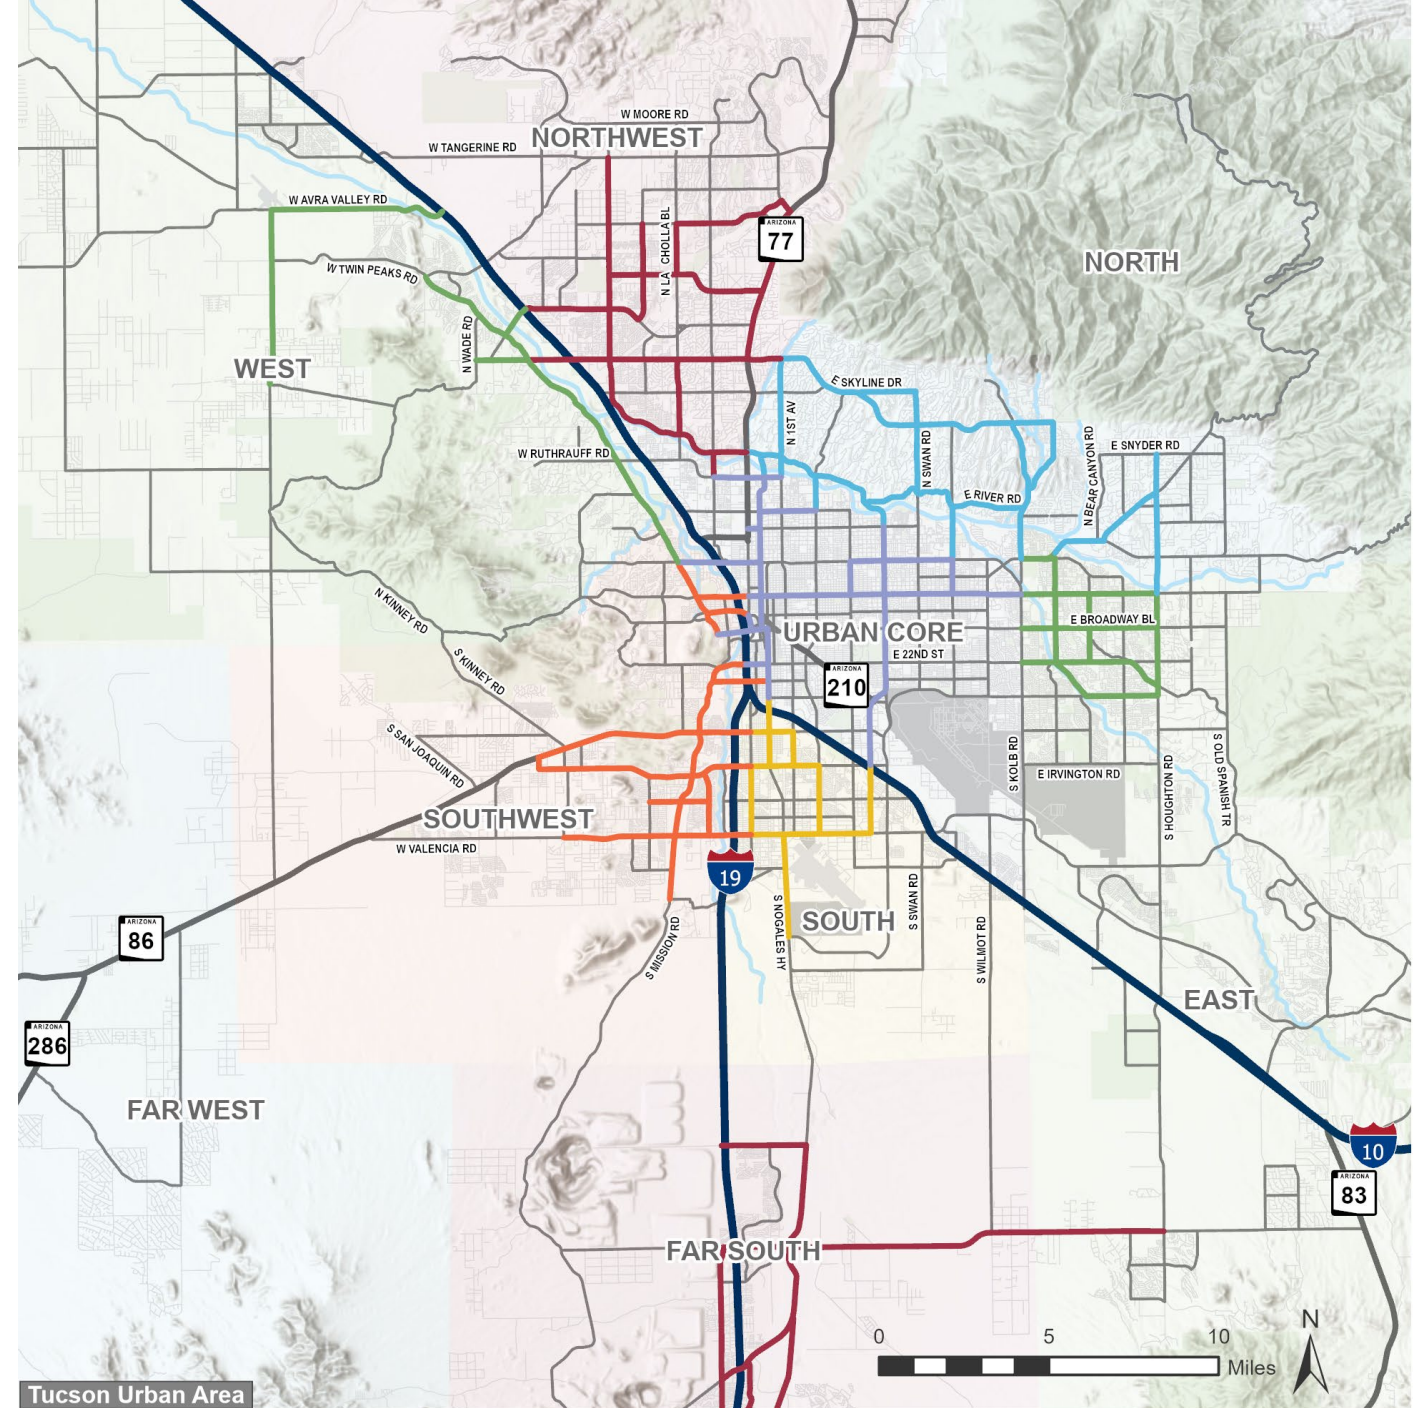

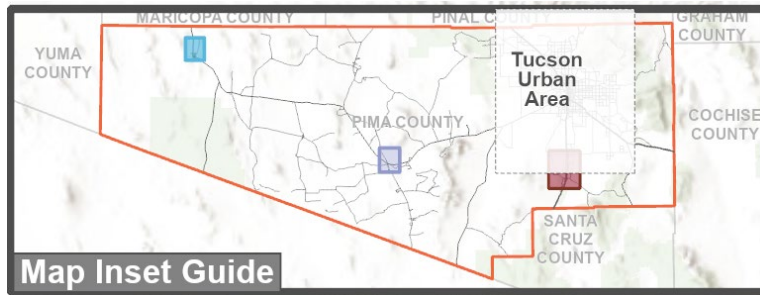

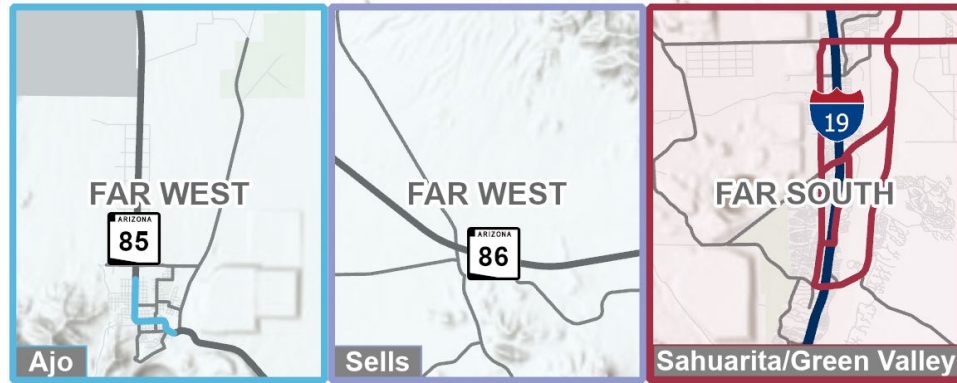

Public/Stakeholder Engagement

Final Preferred High- Priority Network Package

Preferred High-Priority Network

Project Development Methodology

Project Development Methodology

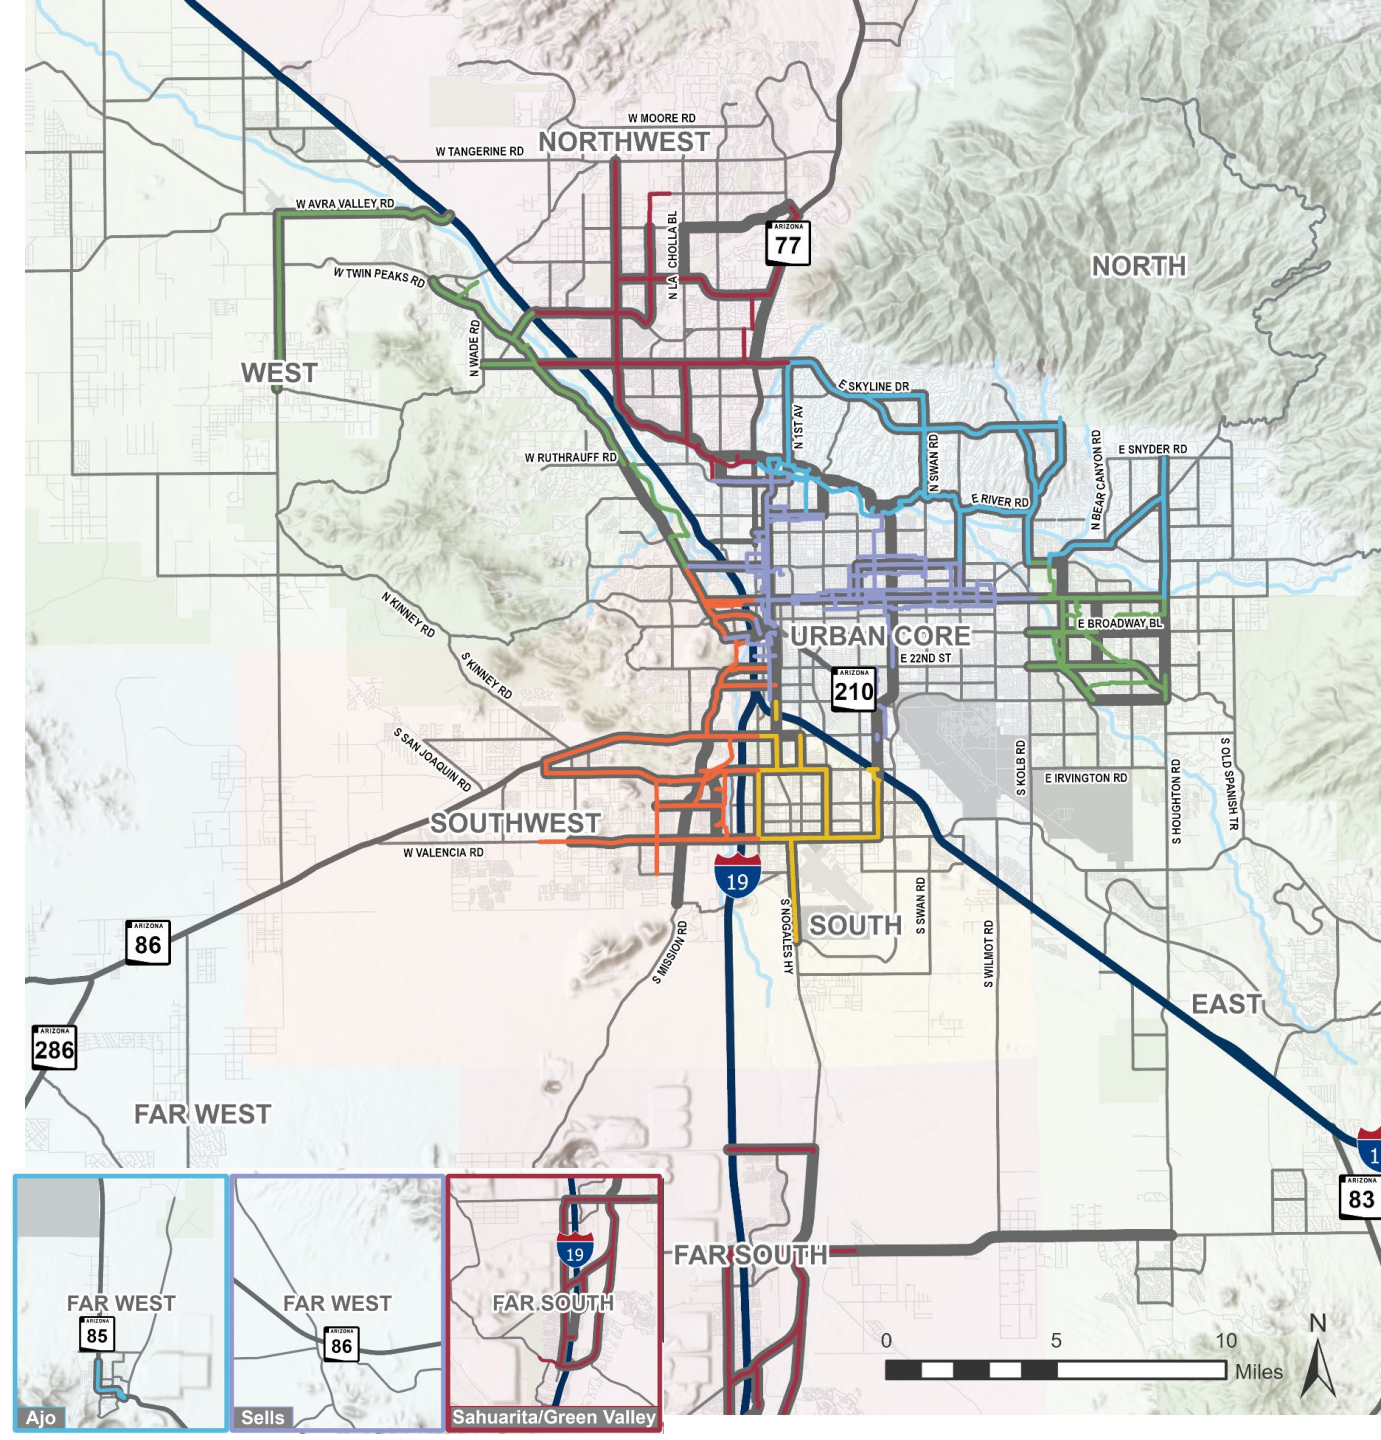

Preferred Network Segment

Review of Existing Facilities

Identify Programmed Projects

Consider Previously Recommended Projects

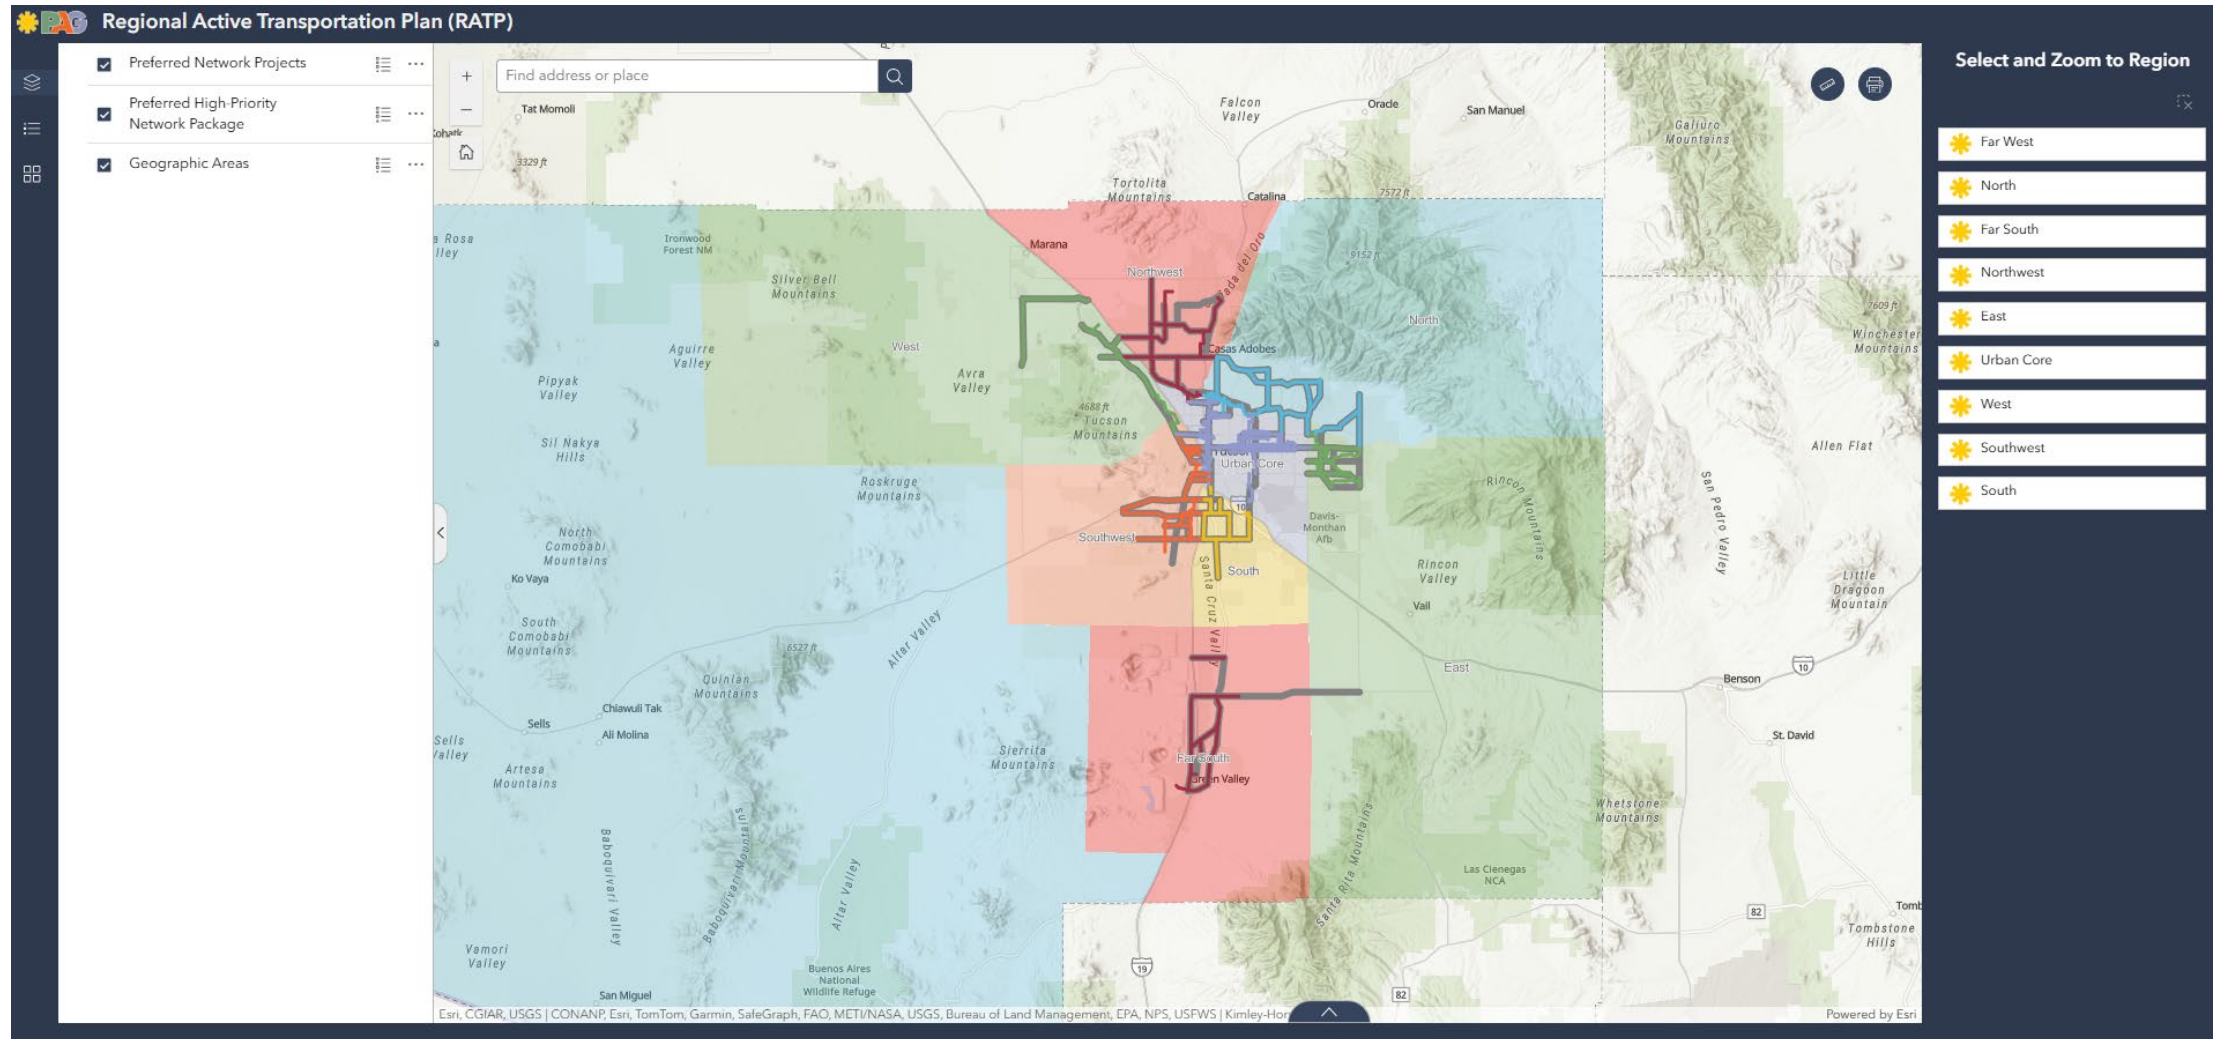

Develop Project

Draft Project List

Draft Project List Web Map Demo

➤ Providing Feedback

- Send comments to PAG staff on recommended changes:
 - Project scope or location refinements
 - Combine adjacent/nearby projects
 - Break projects apart into logical phases
- Provide input on your recommended Top 10 Transformational Projects at: <https://www.surveymonkey.com/r/MW22JWD>

Public Engagement Round 2

Public Engagement Round 2

Goal: Show the RATP project list on the preferred network package and receive feedback on most preferred projects

Leverage web mapping platform to display projects for comment

Couple with survey for respondents to rank their top projects
