PAG Program and Policy Coordinator Adam Ledford provided the Management Committee with an update on the development of the draft FY 2026 and FY 2027 Overall Work Program which consists of the scope of work for a grant agreement between PAG and ADOT on behalf of the federal agencies providing grants to PAG for 24 months beginning on July 1, 2025. Mr. Ledford also noted that a review of the

draft OWP was conducted by the Arizona Department of Transportation (ADOT), Federal Highways Administration (FHWA) and Federal Transit Administration (FTA). Based on that review, their comments indicate that PAG's OWP will be in compliance with federal requirements.

Following the report by Mr. Ledford, the Management Committee did not have any questions or comments regarding this item and no action was required.
